EDUCATION

Texas A&M University

Junior - Bachelor of Science in Aerospace Engineering

- Cumulative GPA: 3.446 | Dean's Honor Roll (Spring 2025)

College Station, TX

Expected: December 2028

EXPERIENCE

Undergraduate Research Assistant

Advanced Vertical Flight Laboratory

August 2026 – Present

College Station, TX

- Train in LabVIEW systems to automate high-frequency data acquisition from torque cells
- Monitor real-time experimentation for graduate research
- Calibrate and operate lab equipment to ensure consistency across multiple experimental trials

Aerodynamics Engineer & Media Manager

TAMU Society of Sonic Flight Engineers

February 2026 – Present

College Station, TX

- Generate high-fidelity computational grids and perform mesh analysis in STAR-CCM+ CFD
- Evaluate fluid airflow characteristics and optimize aerodynamic performance across a remote-controlled aircraft.
- Managed the organization's social media platforms such as the website, Instagram, and LinkedIn

Cosmosphere Camp Counselor

Kansas Cosmosphere

May 2025 – July 2025 & May 2024 – July 2024

Hutchinson, KS

- Coordinated/managed 30 campers in space camp activities; included housing accommodations
- Studied and implemented technical skills necessary to operate for camp activities
- Included skills: breadboard circuitry, 3D-Modeling & printing, rocketry, robotics & JavaScript

Certified Private Pilot - ASEL

Pilot in Command/Solo Hours

Issued August 2024

- Logged 17.1 hours of Solo/PIC time, 6.8 hours of solo cross-country time
- Accumulated 107.8 cumulative hours of flying time in a single-engine land airplane

Relevant Skills

- SolidWorks, MATLAB, LabVIEW, STAR-CCM+, Python, Overleaf, HTML/CSS

PROJECTS

Aerothermodynamics Engine Analysis Final Project

November 2025 - December 2025

- Collaborated with a 6-member team to analyze the performance of a Pratt & Whitney F-100 turbojet engine
- Established performance metrics including thrust production at full throttle and with an afterburner

LEADERSHIP

Scholastic Manager

TAMU Corps of Cadets

August 2026 – Present

College Station, TX

- Support 60+ people academically to ensure a good study environment and valuable habits
- Develop cadets as students by finding necessary resources to succeed academically

Fightin' Texas Aggie Band Clarinetist

TAMU Corps of Cadets

August 2024 – Present

College Station, TX

- Demonstrate discipline, professionalism, and commitment to excellence as a clarinetist

Sophomore Team Leader

TAMU Corps of Cadets

August 2025 – May 2026

College Station, TX

- Collaborated with 15 peer leaders to oversee and manage the holistic development of 17 freshmen, deliberately encouraging adherence to organizational standards
