EDUCATION

Texas A&M University, College Station, Texas | Anticipated Graduation: December 2028

Sophomore - Bachelor of Science in Aerospace Engineering

- Current Coursework: Introduction to Flight, AERO Engineering Mechanics, Introduction to Aerothermodynamics, Linear Algebra for AERO.
- Dean's Honor Roll
 - Achieved by having above a 3.75 GPA in the Spring 2025 Term while being enrolled in 15 or more credit hours.
- University Honors Program with a Cumulative GPA: 3.464

RELEVANT EXPERIENCE

Cosmosphere, Hutchinson, Kansas | May 2024 – July 2024 & May 2025 – July 2025

NASA STEM Educator/Camp Counselor

- Coordinated/managed ~30 campers in space camp activities; included housing accommodations.
- Learned and implemented technical skills necessary to operate for camp activities including breadboard circuitry, 3D-Modeling & printing, rocketry, robotics & JavaScript.
- Collaborated with astronauts Don Thomas and John Herrington.

Ignitors Rocketry Team: Dynamics sub team

- Analyze the rocket's trajectory and aerodynamic capabilities to ensure the rocket is aerodynamically efficient and within the parameters set by IREC regulations.

Introduction to Flight Laboratory

- Learn how to design and model aircraft using SolidWorks.
- Use Python & MATLAB to gather and format data in a presentable manner.
- Learn the basics of Overleaf /LaTeX to write professional papers.

Certified Private Pilot | Issued August 2024

Pilot In Command/Solo Hours

- Developed decision-making, time management, situational awareness & stress management skills.
- 17.1 hours of Solo/PIC time, 5.8 hours of solo cross-country time.
- Accumulated 104.8 cumulative hours of flying time in a single-engine land airplane

LEADERSHIP

Texas A&M Corps of Cadets & Fightin' Texas Aggie Band | August 2024 - Present

- 2,400 student-led organization that develops students to become leaders of character for the public and private sectors.
- Demonstrated discipline, professionalism, and commitment to excellence as a member of the Fightin' Texas Aggie Band.

Sophomore Team Leader | August 2025 - Present

- Collaborate amongst 15 other cadets to lead the holistic development of 17 freshmen in academic, physical, mental and leadership aspects, overseeing adherence to Corps standards.

Scholastics Corporal | August 2025 - Present

- Academically support 60+ people to ensure a good study environment and valuable habits.
- Develop cadets as students by finding the resources they need to succeed academically.

EXTRA SKILLS

- Proficient in HTML/CSS Programming Language
